RALLY BULLETIN #1
AMMENDMENTS TO SUPP REGS

1. At the request of Forestry Corporation, we have been forced to delete what was to be our C7 Upsalls stage.

It has been replaced with C7 Lorne 2 & C8 Swans 2. The original C8 stage now becomes C9.

Please refer to the attached replacement Page 9 of the Supp Regs – ITINERARY.

- T2 & T7 include a Remote Refuel
- C6 Blackbutt - the last 6.78k of this stage has been deleted due to the bad condition of the road (more gutters & washaways than you can imagine!)
- The original C7 Upsalls stage has been deleted (at the request of the Forestry Corporation) and it is replaced with C7 Lorne 2 & C8 Swans 2
- The above distances are subject to final course checks
